

School Nutrition Program Information for 2018.2019

The school nutrition program's sustainability depends on the number of breakfast and lunch meals that are served each day. Our participation numbers for students from all schools from August 2017 through May 2018 were:

- After School Program Snacks & Supper Meals: 15052
- Breakfast: **2017.2018: 342,429** (increase of **74,113** from previous year)
- Lunch: **479,640**
- Summer Food Service Program: **23,675** (breakfast, lunch and supper meals)

The mission for the Pulaski School Nutrition Program is to see that every student benefits nutritionally from the breakfast and lunch meals provided each school day. The breakfast and lunch menu is planned to meet meal pattern requirements, which includes more fruit and vegetable choices.

Farm to School continues to be a very important part of the school nutrition program. Fresh locally grown fruits and vegetables are included on school menus as much as possible.

Parents/Guardians: encourage your children to choose breakfast and lunch at school!

The ongoing purpose of the school nutrition program is to serve quality meals that contribute toward the whole child's long-term health and wellness.

School Nutrition provides the following payment options:

Cash or checks are accepted at Point of Service - **Please write student pin# on checks to ensure payment is correctly applied.**

Online prepay: My School Bucks: www.myschoolbucks.com

ONLINE Pre-pay - My School Bucks -- Visit www.myschoolbucks.com– the process is very easy and convenient.

- Parents/guardians may pay or view account history and check account balances 24/7

- View student cafeteria purchases at no charge
- Make payments using VISA, Master Card or Discover – credit/debit cards (\$2.00 fee)
- Option to have payments made automatically each month
- Receive deposit confirmations directly to email account
- Low-balance emails (please **provide current** email address)

The **Community Eligibility Provision** (CEP) will be available at **ALL Elementary Schools and Pulaski Middle School for SY 2018.2018**. All students are **encouraged to participate** at breakfast and lunch.

Meal Applications are not required for CEP schools.

Contact Ethelene W. Sadler – 540 994-2523 for questions related **CEP**.

Students that were eligible for free or reduced meals for previous school year must re-apply unless you receive a letter that states otherwise. Parents/Guardians may complete a paper application provided with back to school packets. Only one application is necessary for students in the same household. Students approved for free meals have access for breakfast and lunch at no cost. Reduced priced eligible is \$.0 for breakfast and \$.40 cents for lunch. **Parents are encouraged to apply online -- ONLINE meal apps: www.pcva.us** - access from the Pulaski County Schools homepage.

Parents/Guardians: please make sure your child has funds available for breakfast and lunch to **avoid charges** from occurring. **If your student ended the year with a negative balance, any money received will be applied to clear the charges.**
