

What is Student Achievement??

For purposes of the Celebration of Student Achievement, student achievement is defined in one of the following ways:

- (1) a project completed for course or credit
- (2) a group-student-designed and driven project, or
- (3) a collaborative project between student(s) and faculty.

Recent Learning Fun:

Whether it's
American
History, Foreign History, Zoo
themed, or Science themed, we'll
work with you to design a menu
for such
class-room lessons, helping to
promote learning and student
achievement.

Whatever your theme, the kids
and teacher will be sure to have a
blast. Be sure to take lots of
pictures—party day is a very
special day at school!

***Please include any student allergies
within your classroom***
