

Internet Payment Option Now Available for School Meals!

Provo School District's Child Nutrition Department is pleased to announce a new program called *e~Funds For Schools* that allows parents several payment options. Not only do you have the ability to have school meal payments automatically withdrawn electronically from your checking account or charged to your credit card, you also have the flexibility to pay at anytime through the school's website.

The convenience and flexibility of *e~Funds For Schools* will help to eliminate last minute check writing hassles, improve efficiencies, and help cut costs for both you and the school. Plus, you will no longer need to worry that your children could lose or forget the money intended for school items that you give them or that they might spend it on other non-school items.

You are in full control of your account and can make a payment at any time that is convenient for you. **No payments will be allowed without your knowledge and authorization through this secure payment system.** By providing your home and/or work email address, an email notification informing you of the student's name, purpose of the payment, and the amount of the item will be sent to you each time that a payment is to be processed.

To use Online Payments you will need your student(s) ID #(s). The Student ID # can be found on your student's class schedule, report card, by contacting your student's school office, or by emailing a request to colleenf@provo.edu .

Please visit our website at:

<http://district.schoolnutritionandfitness.com/pcs>

and select Pre-Payment Options tab located near the top of the page and then select [Online Payments](#). Once there select "[How to set up my Online Accounts Tutorial](#)" to familiarize yourself with this option.
