

**SANTA FE ISD  
WELLNESS POLICY MEASUREMENT PLAN – TRIENNIAL ASSESSMENT  
CAMPUS IMPLEMENTATION REVIEW**

Campus: Kubacak Elementary Date: Oct. 4, 2019

**SEC. 204 LOCAL WELLNESS POLICY**

Establishes a plan for measuring implementation of the local wellness policy, including designation of 1 or more persons within the local educational agency or at each school, as appropriate, charged with operational responsibility for ensuring that the school meets the local wellness policy.

Total each column, multiply “Exceptional” by 3, “Achieves” by 2, and “Needs Improvement” by 1.  
Tally scores to get grand total.

**Component 1: Nutrition Education Goals:**

1. SFISD will educate, encourage, and support healthy eating by all students.
2. Nutrition education is age appropriate and reflects the diversity within the school environment.
3. SFISD cafeterias will comply with the current USDA Dietary Guidelines for Americans.

Guidelines	Exceptional 3	Achieves 2	Needs Improvement 1	Comments:
The school cafeteria will display posters to promote healthy eating and display other nutrition education materials.			1	Posters, artwork and digital menu boards display healthy eating messages.
Physical educators and classroom teachers post healthful messages in their classrooms.				
Nutrition education promotes fruits, vegetables, whole grain products, low fat and fat-free dairy, healthy food preparation methods, and health enhancing nutrition practices as well as physical activity.				The cafeteria serves as a learning laboratory for making healthy choices. The café offers fresh fruit, vegetables, whole grains, low fat dairy and entrées prepared using healthy methods daily.

<p>Cafeteria implements line placement strategies that encourage healthy food selection.</p>	<p> </p>			<p>Café lines are set up to encourage healthy selections. Snacks are sold at the end of the serving line or alternate location.</p>
<p>Campus utilizes marketing materials that promote healthy nutrition messaging.</p>	<p> </p>			
<p>A monthly menu is available to students and families.</p>	<p> </p>			<p>A printed menu is available to students in grades PK-8. All menus available online.</p>
<p>Campus promotes and encourages families and community members to attend school-based health fairs or wellness events.</p>	<p> </p>			<p>The SFISD Education Foundation hosts a fun walk annually. Nutrition services participates in 2 community health fairs per year and encourages SFISD student participation.</p>
<p>Students will be educated on the importance of starting each day with a healthy breakfast and encouraged to do so every day.</p>			<p> </p>	<p>Parents are encouraged to send students for breakfast on printed menu.</p>
<p>Staff incorporate healthy nutritional messaging at applicable campus based events.</p>			<p> </p>	
<p>Nutrition education will involve sharing information with families and the broader community to positively impact student health and the health of the community.</p>			<p> </p>	<p>Nutrition Services sends home a Nutrition Nuggets Newsletter for students in grades PK-5. Links are provided on the Nutrition Services webpage to health and nutrition sites.</p>
<p>Students are instructed not to share their food or beverages with other students as some students have physician-ordered dietary restrictions.</p>			<p> </p>	

**Component 2: Physical Activity Goals:**

1. SFISD will follow health education curriculum standards and guidelines as stated by the Texas Education Agency.
2. Physical activity is not used as a reward or punishment.
3. SFISD will adopt and implement state standards for physical activity.
4. SFISD will help students understand the short and long-term benefits of a physically active and healthy lifestyle.

Guidelines	Exceptional 3	Achieves 2	Needs Improvement 1	Comments:
Physical education staff provides TEKS guided curriculum for fitness standards as required by TEA.				
Physical education teachers provide lessons during physical education that are age and developmentally appropriate.				
Physical education teachers are provided the opportunity for professional development through standard-based instruction and administration of CPR/AED.				
Physical activity is not used as a form of punishment.				
Physical instruction is focused on ensuring that students enjoy physical activity and have the skill and knowledge to make healthy choices.				
Physical activity curriculum provides for student choice as appropriate.				
Student self-testing and individualized fitness plans are encouraged.				

<p>Campus is encouraged to reinforce and advocate the importance of physical activity by incorporating short activity breaks between lessons and/or classes.</p>			/	
<p>Students are given opportunities for physical activity during the school day through physical education (PE) classes and daily recess periods for elementary school students in grades PK-5.</p>	/			
<p>Consideration is given to planning physical activity or recess before lunch since research indicates that physical activity prior to lunch can increase the nutrient intake.</p>		/		
<p>Time allotted for physical activity will be consistent with research and state standards. Students will participate in (30) thirty minutes of structured and daily physical activity or 150 minutes a week in grades PK-5.</p>	/			
<p>SFISD will implement Fitness Gram, which is the state physical assessment mechanism, and carry out procedures as directed by TEA in grades 3-12.</p>	/			

**Component 3: Other School Based Activities:**

1. All school-based activities are consistent with local wellness policy goals.
2. Schools will create a total school environment that is conducive to a healthy lifestyle.
3. The school district encourages parents, teachers, school administrators, students, food service professionals, and community members to serve as a role models in practicing healthy eating an being physical active, both in school and at home.

Guidelines	Exceptional 3	Achieves 2	Needs Improvement 1	Comments:
Mealtime schedules are based on enrollment, cafeteria serving and seating capacity to minimize wait time and allow sufficient time to eat.				
The minimum eating times after being served are 10 minutes for breakfast and 20 minutes for lunch.				
Lunch is scheduled as close to midday as possible.				
Dining room facilities are maintained for safety, cleanliness, comfort and provide adequate seating.				
Students are always provided an opportunity to eat, even if meetings or activities are scheduled during mealtime.				
Handwashing facilities are available to students before mealtimes.				
Water is available during meals and encouraged throughout the day.				Nutrition Services offers water with each meal. Most café's have water fountains available.

<p>The District Nutrition Services website will provide current evidence-based strategies for healthful eating practices.</p>	<p> </p>			
<p>The District encourages staff development to support the coordination and delivery of nutrition education curriculum as appropriate.</p>		<p> </p>		
<p>SFISD Nutrition Services Staff will be Galveston County Health Department Certified.</p>	<p> </p>			<p>All NS staff receive Galveston County Health Department Certifications.</p>
<p>Campus allows only 6 exempt food fundraisers or school-designated events per school year. Dates are reported to Nutrition Services.</p>	<p> </p>			
<p>Exempt fundraiser events are not held during campus meal times and/or where meals are served.</p>	<p> </p>			
<p>Foods and beverages sold for fundraisers may not be sold in competition to school meals.</p>	<p> </p>			
<p>Campuses will designate a School Health Advisory Council representative for their campus. All district employees are encouraged to participate in SHAC.</p>	<p> </p>			
<p>Families and community members are invited to all School Health Advisory Council (SHAC) meetings.</p>	<p> </p>			

Total Score	24 X 3 = 72	10 X 2 = 20	4 X 1 = 4	Grand Total Score: 96
