

SCHOOL NUTRITION PROGRAM

Staffing Shortages & Supply Chain Issues

Alert!

Our school nutrition program is currently short on cafeteria staff and experiencing supply chain issues. We have a number of vacant positions and are also having trouble receiving ingredients from our food vendors. This is a nationwide problem, but we are working on several strategies to mitigate the impact on our students.

We apologize to students who are experiencing unusually long lunch lines and last-minute menu changes. As we navigate this challenging time, we appreciate your patience and understanding.

Thank you for your continued support.
