MIGHTY RED Apple

One day it rained so hard in Healthyville that an apple tree sucked up magic energy. The magic energy affected one branch and four apples. These apples transformed into Team Crunch. They were able to use their newly found energy to sprout arms and legs and develop super athletic powers. Mighty Red plays baseball, soccer, basketball and football, Graceful Green rides her bike everywhere, Powerful Pink can run for miles and Yippy Yellow likes to play games on the playground. They all encourage children to eat healthy apples every day because apples are low in calories and free of fat and sodium. Together Team Crunch helps Healthyville kids stay active and healthy.
