Student Nutrition Services

Quality Nutrition for Quality Education

Notes from Student Nutrition

San Lorenzo Valley SNS understands the link between healthy eating and your child's education. We were off to a rocky start with some Nutrikids computer issues at the start of the year. These have been fixed and we are back on track. Please call the office if you have any questions or concerns regarding your students lunch account.

Menu and Nutritional information can be found online at www.slvusdcafe.com. We encourage parents to pre-pay for student meals. Paying in advance helps make the lunch lines move faster! You may place any amount of money as well as monitor activity and balance information online at www.myschoolbucks.com.

We are accepting applications for our Free and Reduced price breakfast and lunch program. A new application is required each school year. If you receive CalFresh, MediCal, TANIF or qualify as a migrant family, it might not be necessary to fill out an application. To fill out an application online go to: <https://slvusd.strataapps.com>. Internet Explorer works best with our online application software. Paper applications are available online, at each school site, and the Student Nutrition Office.

Breakfast will be served from 7:30-8:15 am at the tri campus.
BCE Breakfast will be served from 7:50-8:20 am.

Meal Charge Policy: Elementary students are allowed to go negative up to \$10.50 equivalent to three meals. Students that go above the three meal equivalent will be given a courtesy meal that includes a protein (usually cheese sticks), fruit, veggie and milk. It will not include the main entrée of the day. We will be sending out regular emails to parents for students' negative account balances. Please help us by keeping your student account balances up to date. It's easy with www.myschoolbucks.com.

If you have any questions or concerns, please give us a call at (831) 335-5384

Visit our website www.slvusdcafe.com and sign up to have our menus emailed to you automatically each month.
