\$3.50**

Student Nutrition Services

San Lorenzo Valley SNS understands the link between healthy eating and your child's education. We have an exciting year planning and we want every student to have a well-balanced meal. We offer organics from our hydroponics garden when possible and through Farm to School and Second Harvest. All our entrees are reduced sodium and made from whole grains.

Menu and Nutritional information can be found online at www.slvusdcafe.com. We encourage parents to pre-pay for student meals. Paying in advance will make the lunch lines move faster! You may place any amount of money as well as monitor activity and balance information online at www.myschoolbucks.com. You will need your students id number to register.

We are accepting applications for our Free and Reduced price breakfast and lunch program. A new application is required each school year. If you receive CalFresh, MediCal, TANIF or qualify as a migrant family, it might not be necessary to fill out an application. To fill out an application online go to: <https://slvusd.strataapps.com>. Internet Explorer works best with our online application software. Paper applications are available online, at each school site, and the Student Nutrition Office.

Breakfast will be served from 7:30-8:15 am at the tri campus.
BCE Breakfast will be served from 7:50-8:20 am.

Meal Charge Policy: Elementary students are allowed to go negative up to \$10.50 equivalent to three meals. Students that go above the three meal equivalent will be given a courtesy meal that includes a protein (usually cheese sticks), fruit, veggie and milk. It will not include the main entrée of the day. We will be sending out regular emails to parents for students' negative account balances. Please help us by keeping your student account balances up to date. It's easy with www.myschoolbucks.com.

If you have any questions or concerns, please call the office at (831) 335-5384.

Visit our website www.slvusdcafe.com and sign up to have our menus emailed to you automatically each month. "Going Green Menu"
