Student Nutrition Services

Quality Nutrition for Quality Education

San Lorenzo Valley Student Nutrition Services understands the link between healthy eating and your child's education. We offer organics from our hydroponics garden when possible and through Farm to School and Second Harvest. All our entrees are reduced sodium and made mostly from whole grains.

***New:** We are selling Aluminum Refillable Water Bottles at BCE and at the Tri-Campus. They cost \$2.00 per bottle and can be purchased at breakfast, brunch and lunchtimes. These bottles are refillable and there is a place to write your name on your bottle. All school sites have water fountains available for refilling your water bottle.*

***Lost and Found:** The tri-campus dining hall has lots of jackets, sweaters, hats, lunch boxes, etc. Come check out the dining hall for your lost and found items.*

***Meal Change Policy:** MS/HS students are allowed to go negative up to \$7.00 equivalent to two lunches. Students that go above the two meal equivalent will be given a courtesy meal that includes a protein (usually cheese sticks), fruit, vegetable and milk. It will **NOT** include the main entrée of the day. We will be sending out regular emails to parents for students' negative account balances. Please help us by keeping your students account balances up to date. It's easy with www.myschoolbucks.com.*

***Welcome to Student Nutrition Services Team:** Judi Casey is our new Account Tech and can be reached at (831) 335-5384. Her work hours are from 10am-2pm daily. Please stop by and introduced yourself. Welcome Judi!*

If you have any questions or concerns, please call our office at (831) 335-5384.
