We eat fruit and vegetables for health.

Student Nutrition Services

Quality Nutrition for Quality Education

April 2018

San Lorenzo Valley Student Nutrition Services understands the link between healthy eating and your child's education. We offer organics from our hydroponics garden when possible and through Farm to School and Second Harvest.

We are selling Refillable Aluminum Water Bottles at BCE and the Tri-Campus. They cost is \$2.00 and can be purchased at breakfast and lunchtimes. These bottles are refillable and all school sites have water fountains available for refilling your water bottle.

Lost and Found: The tri-campus dining hall has lots of jackets, sweaters, hats, lunch boxes, etc. Come check out the dining hall and retrieve your lost items.

Meal Charge Policy: Elementary students are allowed to go negative up to \$10.50 equivalent to three meals. Students that go above the three meal equivalent will be given a courtesy meal that includes a protein (usually cheese sticks), fruit, vegetable and milk. It will **NOT** include the main entrée of the day. We will be sending out regular emails to parents for students' negative account balances. Please help us by keeping your students account balances up to date. It's easy with www.myschoolbucks.com.

Visit our website www.slvusdcafe.com and sign up to have our monthly menus email to you automatically. Going Green Menus."
