## Welcome to 2018/19 School Year

*All meals are served with an entrée, fruit, vegetables, and a choice of 1% white or non-fat white milk.*

San Lorenzo Valley SNS understands the link between healthy eating and your child's education. We have an exciting year planned and we want every student to have a well-balanced meal. We offer organics from our hydroponics garden when possible and through our Farm to School program.

Menu and Nutritional information can be found online at [www.slvusdcafe.com](http://www.slvusdcafe.com). We encourage parents to pre-pay for students meals. Paying in advance helps make the lunch lines move faster! You may place any amount of money as well as monitor activity and balance information online at [www.myschoolbucks.com](http://www.myschoolbucks.com).

We are accepting applications for our Free and Reduced priced breakfast/lunch program. A new application is required each school year. If you receive CalFresh, CalWorks, TANIF or qualify as a migrant family, it might not be necessary to fill out an application. To fill out an application online go to: <https://slvusd.strataapps.com>. Internet Explorer works best with our online application software. Paper applications are available online, and at each school site, and the SNS office.

Breakfast will be served from 7:30 am—8:15 am at the tri-campus.  
BCE Breakfast will be served from 7:55—8:20 am.

Meal Charge Policy: Elementary students are allowed to go negative up to \$10.50, equivalent to three meals. Students that go above the three meal equivalent will be given a courtesy meal that includes a protein (usually cheese sticks), fruit, vegetable and milk. It will NOT include the main entrée. We will be sending out regular emails to parents for students' negative account balances. Please help us by keeping your students account balances up to date. It's easy with [www.myschoolbucks.com](http://www.myschoolbucks.com)

If you have any questions or concerns, please give us a call (831) 335-5384.
