Lunch
\$3.50

All meals are served with an entrée, fruit, vegetables, and a choice of 1% white or non-fat white milk.

Menu and Nutritional information can be found online at www.slvusdcafe.com. We encourage parents to pre-pay for students meals. Paying in advance helps make the lunch lines move faster! You may place any amount of money as well as monitor activity and balance information online at www.myschoolbucks.com.

We are accepting applications for our Free and Reduced priced breakfast/lunch program. A new application is required each school year. If you receive CalFresh, CalWorks, TANIF or qualify as a migrant family, it might not be necessary to fill out an application. To fill out an application online go to: <https://slvusd.strataapps.com>. Internet Explorer works best with our online application software. Paper applications are available online, and at each school site, and the SNS office.

Reminder that if your student qualifies for Free/Reduced meals they qualify for both Free/Reduced Breakfast (Brunch) and Lunch.

Breakfast will be served from 7:30 am—8:15 am at the tri-campus.

BCE Breakfast will be served from 7:55—8:20 am.

Meal Charge Policy: Weekly emails are sent for students with a negative account balance. Please help us by keeping your students account balances up to date. It's easy with www.myschoolbucks.com where you can see your students account transactions, view balance, make payments and set up email notices when your student account is getting low.

If you have any questions or concerns, please give us a call (831) 335-5384.
