**Honor your School Lunch Heroes**  
*Celebrating School Lunch Hero Day on May 3, 2019*

Between preparing healthy food, adhering to strict nutrition standards, navigating student food allergies, and offering service with a smile SLVUSD nutrition professionals have a lot on their plate. They put a lot of importance and nutritional value. Many children, school lunch is the most important and nutrient-rich meal of their day. This day, celebrated annually since 2013, was designated by The School Nutrition Association and Jarrett Krosoczka, author of the “Lunch Lady” graphic novel series. School Lunch Hero Day provides an opportunity for parents, students, school staff and communities to thank those who provide healthy meals to 30 million of America’s students each school day. To celebrate their hard work and commitment give your lunch hero an extra thank you or a card showing your appreciation.
