Meal Charge Policy

Students that owe are allowed to continue charging for breakfast and lunch to their account regardless of negative balances in order to comply with California Senate Bill 250 and 265. No a la cart items can be charged to an account with a negative balance. Weekly emails are sent for students with a negative account balance. Please help us by keeping your students account balances up to date. It's easy with <https://family.titank12.com//F4PJ9Q> where you can see your students account transactions, view balance, make payments and set up email notices when your student account is getting low. Please contact the Student Nutrition Services department immediately if you have questions about a student's outstanding bill or if you do not wish for your student to be able to charge meals.
