If microwaving items remove from foil wrapper

Meal Application

We are accepting applications for our Free and Reduced priced breakfast/lunch program. A new application is required each school year. To fill out an application online go to: <https://family.titank12.com//F4PJ9Q>. Paper applications are available online, and at each school site, and the SNS office. If you receive CalFresh, CalWorks, TANIF or qualify as a migrant family, it might not be necessary to fill out an application.

Meal Charge Policy

Students that owe are allowed to continue charging for breakfast and lunch to their account regardless of negative balances in order to comply with California Senate Bill 250 and 265. No al la cart items can be charged to an account with a negative balance. Weekly emails are sent for students with a negative account balance. Please help us by keeping your students account balances up to date. It's easy with <https://family.titank12.com//F4PJ9Q> where you can see your students account transactions, view balance, make payments and set up email notices when your student account is getting low. Please contact the Student Nutrition Services department immediately if you have questions about a student's outstanding bill or if you do not wish for your student to be able to charge meals.

Menu and Nutritional information can found online at www.slvusdcafe.com or family.titank12.com
