Healthy Happenings from Nutrition Services

Introducing **Farm to School Fridays**- Nutrition Services with the help of Sunrise Produce is seeking California Farms to purchase fresh produce for our students. October is National Farm to School Month and we are celebrating farmers.

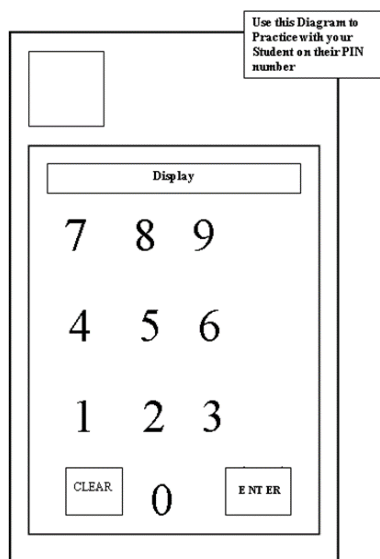

Babe Farms- Located in Santa Maria, Babe Farms is a family owned and operated farm. Judy Lundberg-Wafer is one of the original founding members. Her son Jeff is the President/CEO now and this family business has been operating for more than 20 years. This month they are bringing to PYLUSD the Asian Salad consisting for healthy micro greens for your students on October 5th.

D'Arrigo Brothers- Located in Salinas California, this family business started by two brothers from Sicily has been in operation since 1923 and remained a family business. The Broccoli Rabe that PYLUSD students will enjoy on October 26, comes from their family farm

HMC Farm- Located in Kingsburg CA this farm was founded by Harold McClarty and Mike Jensen using land that has belonged to the McClarty family since 1887. While the family works on the farm , Jorge Negret says "at HMC some of may not re belated, but we are all family" The grapes that students will enjoy on October 12 & November 2nd are grown by this "big family"

Bolthouse Farms- Bolt house began in Michigan in 1915 and has been able to secure farming land now through the California Central Valley and Antelope Valley to bring these baby carrots to PYLUSD through the menu and highlighted on Farm to school Friday, October 19th
