

## Atlanta Public Schools Nutrition Department Supper On Site (SOS) Program

In conjunction with the Expanded Day/Special Projects Department, the Nutrition Department provides a much-needed service, giving children a safe place to go after school and nutritious food that gives them the energy they need to concentrate on homework and join their friends in physical, educational, and social activities. The Supper on Site (SOS) Program initiative will allow all students attending registered afterschool programs a **FREE** supper meal.

The U.S. Department of Agriculture's (USDA) Food and Nutrition Service (FNS) administers the Child and Adult Care Food Program (CACFP) at the national level. Within the state of Georgia, the program is administered by *Bright from the Start*.
