Have a Wonderful Holiday!

Elementary schools are serving lunch at NO cost to our students! Join us for a 5 Star Lunch

A five Star Meal includes one choice from each Food Group. A nutritious, balanced diet for students should include whole grains, fruits, vegetables, lean meat, beans, nuts and low-fat dairy products.

Eating smart and moving more is the cornerstone of a healthy lifestyle and provides a solid foundation for children and youth to succeed in school and in life.

Market conditions, delivery and/or availability of food may require a change in menus.

"This institution is an equal opportunity provider and employer."

## Did you know...

December is the last month in the Gregorian calendar. Its name is based on the Latin term for ten. In the Roman calendar, December was the tenth month until the addition of January and February at the beginning of the year. In the Northern Hemisphere December has the shortest daylight hours and marks the beginning of winter.
