The teacher that inspired me the most is...

Jim Will, Retired Physical Education Teacher, West Elementary School

Jazmyne states: "Ever since fifth grade, I've felt like I've done things because Mr. Will said I could. Like with tennis, he was like "you can do it" and I eventually made it to State and that is because of Mr. Will.

He has always been my little push to get me as far as I could. He would never let me quit. He'd say, 'You gotta do it, you might as well do it now or you'll just have to do it later.'"
