News

The USDA has recently released a waiver allowing us to provide meals at no cost to all students regardless of meal benefit eligibility for the entire 2020-2021 school year.

Due to supply chain shortages, all menu items are subject to change/substitutions.

Ala carte items are available for purchase. Students must have funds available or cash for ala carte purchases. **Milk or juice purchased individually is \$0.50**

**All grains served are whole grain compliant. All fruit options are 1/2 cup and contain 100% fruit and/or 100% fruit juice. All vegetables are 1/2 cup, excluding grape tomatoes (1/4 cup).*
