

Menu September 2021: KIPP HALIFAX PRIMARY

Families Making the Connection

Breakfast: We offer cereal with grahams, applesauce & a variety of juice & milk choices daily.

Lunch: In addition to the menu item we offer the Yogurt Trio which consists of yogurt, string cheese & goldfish crackers. Students may select all fruit and vegetable offerings and milk.

Greatness of Grains

September is Whole Grains Month. Grain foods include bread, cereal, rice, pasta, oatmeal, pancakes and tortillas, for example. These foods give our bodies and brains energy we need to move and think.

Whole grains are the entire seed of a plant. This seed, or kernel, is made up of three key edible parts – the bran, the germ, and the endosperm.

Try making at least half the grains you eat whole grains. This will help you get all the benefits grains have to offer. Whole grains give us protein, iron, B vitamins, Vitamin E, magnesium, fiber and antioxidants. They also may reduce the risk of obesity, heart disease, cancer and diabetes.

Our menu features whole grain products.
