- (G) – GO foods are foods that you can eat "almost anytime". These foods are the lowest in fat.
- (S) – SLOW foods are "sometimes foods" – foods that you can eat maybe a few times a week. These foods are higher in fat.
- (W) – WHOA foods are "once in a while foods" – foods that you can eat on occasion, but need to be combined with other GO foods. These foods are highest in fat.

In accordance with Federal Law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, disability, and reprisal or retaliation for prior civil rights activity. (Not all prohibited bases apply to all programs). Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotope, and American Sign Language) should contact the responsible State or local Agency that administers the program or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339. To file a program discrimination complaint, a complainant should complete a Form AD-3027, USDA Program Discrimination Complaint Form, which can be obtained online, at <https://www.octio.usda.gov/document/ad3027>, from any USDA office, by calling (866) 632-9992, or by writing a letter addressed to USDA. The letter must contain the complainant's name, address, telephone number, and a written description of the alleged discrimination. Please include sufficient detail to inform the Assistant Secretary for Civil Rights (ASCR) about the nature and date of an alleged civil rights violation. The completed AD-3027 form or letter must be submitted to USDA by: mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410; or fax: (866) 266-1665 or (202) 690-7442; or email: program.intake@usda.gov. DID YOU KNOW?

Groundhog Day, celebrated on February 2, came about because of a German superstition. They thought if a hibernating animal cast a shadow on February 2nd that winter would last for another six weeks. If there was no shadow, spring would come early.
