## SVVSD Celebrates Colorado Proud School Meal Day

St. Vrain Valley School District will be participating in **Colorado Proud School Meal Day on Wednesday, September 13, 2016.**

The Colorado Departments of Agriculture and Education invite Colorado schools to participate in this annual event to celebrate Colorado agriculture and to educate schoolchildren about healthy eating.

In order to encourage eating habits that will promote a lifetime of optimal health, it is essential to teach children about the importance of eating foods such as fruits, vegetables, whole grains, lean meats and low-fat dairy products. Proper nutrition is critical if our educational programs and our students are going to continue to excel.

Colorado farmers and ranchers produce food

items that provide the nutrients children and adults need to thrive.

Agribusinesses contribute more than \$40 billion to the state economy annually and provide more than 170,000 jobs. With more than 37,000 farms and ranches encompassing 31 million acres, it is easy to understand the value this industry adds to Colorado.

**Did you know that SVVSD's Nutrition Services served over 900,000 pounds of locally grown fresh fruits and vegetables last year alone?**

Check your local grocery store or farmers market to buy locally too! Thank you for helping us celebrate this year's Colorado Proud School Meal Day.
