About Our Supper Program:

We offer supper meals - free of charge - for all students who participate in the After School Programs at our Full Service Community Schools (FSCS).

The goal of our FSCS is to improve student academic achievement and well being through the offering of comprehensive high quality services. The program's main objectives are:

- Improve student achievement (closing the achievement gap)
- Improve student attendance
- Reduce student referrals, suspensions, and expulsions
- Increase student well-being in a range of health indices
- Improve school campus safety
- Increase parent involvement in their children's education

Offering supper to students participating in our FSCS After School Programs is a perfect complement to our FSCS objectives. Our suppers are a complete, nutritionally balanced meal containing grains, protein, fruits and/or vegetables and milk. Our suppers will provide students with a nourishing and satisfying meal while the students are participating in an academically enriched after school environment.
