

The information provided on the application is confidential and will be used only for the purpose to determine eligibility and may be verified at any time during the school year by school or other program official. To discourage the possibility of misrepresentation, the application forms contain a statement above the space for signature certifying that all information furnished is true and correct. Deliberate misrepresentation of information may subject the applicant to prosecution under applicable state and federal laws.

Households will be notified of the approval or denial of benefits.

Foster children are categorically eligible for free meal benefits regardless of the household's income. If a family has foster children living with them and wishes to apply for such meals or milk for them, contact the school district (740-965-8958) for more information. Under the provision of the policy, Linda Klamfoth, Administrative Assistant 740-965-8958 will review applications and determine eligibility. If a parent or guardian disagrees with the decision on the application or the result of verification, the decision may be discussed with the determining official on an informal basis. If a formal appeal is desired, the household has the right to a fair hearing. A fair hearing can be requested either orally or in writing from:

Mr. Ronald McClure, Director of Administrative Services, 117 N Kintner Parkway, Sunbury, OH 43074

The policy contains an outline of the hearing procedure.

Households may apply for benefits any time during the school year. If a household is not currently eligible and if the household size increases or income decreases because of unemployment or other reasons, the family should contact the school to file a new application. Such changes may make the children of the family eligible for free or reduced-price benefits if the family income falls at or below the levels shown above.
