Allergen Statement:

Fantini Bakery does NOT produce any products which contain tree nuts or peanuts.
Our bakery is nut-free.

Fantini Bakery does NOT produce any products that contain dairy.

Fantini Bakery does produce some breads / rolls that do contain sesame seeds.

Fantini Bakery has the following procedures in place in order to prevent sesame seed contamination of all plain rolls and breads:

1. We have two separate sets of pans.
One for baking breads and rolls that contain sesame seeds.
Another for baking all rolls that do NOT contain sesame seeds.

We can not make a 100% guarantee that there will never be a sesame seed on a plain roll, but we make every effort to prevent that from happening.

We advise that people with sesame allergies visually check their bread products for sesame seeds before eating.
